

Present Perfect Simple Exercises

Affirmative

Instructions:

Place the verb in brackets into the present perfect tense.

1. I should _____ (cycle) to work as the traffic was very bad.
2. She _____ (take) all of her exams now.
3. John _____ (leave) his wallet in the pub.
4. Most people _____ (choose) the roast duck in orange sauce from the menu.
5. We _____ (lose) our way.
6. The voters _____ (elected) Mrs Knowles as mayor.
7. I _____ (finish) all of the apple juice.
8. He _____ (triple) his income over the last 5 years.
9. They _____ (forgot) to bring the dog with them.
10. Neither Jacob nor Simon _____ (remember) to do the homework.

Answer Key

1. have cycled
2. has taken
3. has left
4. have chosen
5. have lost
6. have elected
7. have finished
8. has tripled
9. have forgotten
10. has remembered*

* With 'neither / nor' the verb agrees with the subject after the last noun. Simon is singular, so it takes a singular verb - 'has'.
