

Present Perfect Tense Exercise Negative

Instructions:

Place the verb in brackets into the present perfect tense to make a negative sentence.

1. I should _____ (drive) to work as the traffic was very bad.
2. She _____ (pass) all of her exams.
3. John _____ (collect) his wallet from the pub.
4. Most people _____ (order) a drink yet.
5. We _____ (find) where the house is.
6. The new mayor _____ (still / speak) about her new position.
7. I _____ (eat) my dinner yet.
8. He _____ (have) a promotion at work for 2 years.
9. They _____ (go) back home.
10. The teacher _____ (mark) the homework.

Answer Key

1. not have driven / shouldn't have driven*
2. has not passed / hasn't passed
3. has not collected / hasn't collected
4. have not ordered / haven't ordered
5. have not found / haven't found
6. still has not spoken / still hasn't spoken
7. have not eaten / haven't eaten
8. has not had / hasn't had
9. have not gone / haven't gone
10. has not marked / hasn't marked

* When we include a modal verb, 'not' usually comes directly after the modal verb rather than after has/have
